

12th FENS Forum of Neuroscience

11-15 July 2020 | Glasgow, UK

Organised by the Federation of European Neuroscience Societies (FENS)

Hosted by the British Neuroscience Association (BNA)

Starting and mid-career PI hurdles (I & II)

14 July 2020

FENS Forum 2020, 11-15 July, Glasgow, UK

PROGRAMME

Organised by the FENS-Kavli Network of Excellence (FKNE) under the umbrella of the FENS Committee for Higher Education and Training (CHET), the event will focus on topics relevant for senior postdocs, newly appointed and mid-career PIs. The approached themes include: *how to get the first PI position, selection of team members, application and management of funds, the mid-career gap, early and mid-career mobility, and coping with stress while balancing life with career.*

The overall aim of the event is to bring together the attendees with current mid carrier FKNE and FKNE alumni PIs to share concrete experiences and problem-solving skills, and start to create a network among the future generation of PIs.

The event is structured in two main sessions:

Starting and mid-career PI hurdles (I)

14 July 2020, 12:30 -13:30

Scheduled as a **lunch seminar**, the topics mentioned above will be addressed in a series of short talks by the FENS-Kavli Scholars and FKNE alumni.

This event is open to all FENS Forum attendees.

Starting and mid-career PI hurdles (II)

14 July 2020, 19:00 – 20:45

During the evening session - **workshop format** - several round tables will be organised simultaneously, and the afore-mentioned topics from the lunch seminar session will be discussed in-depth between the FKNE Scholars and alumni, and selected participants.

This evening workshop is limited to 50 participants. No registration fee envisioned. Priority in selection will be given to senior postdocs, recently appointed and mid carrier PIs. Pre-registration and selection required.
